What do you need for today and the upcoming week

Time, focus & energy. Today's session will last about 4 hours followed by 4 hours session on March 22, 2024. Breaks will be managed by a trainer. Happy learning!

Ensure you activated **Google Cloud Skills Boost account**. You will use this on-demand platform today and during the upcoming week. Please check your inbox for "[Action required] - create Google Cloud Skills Boost account - 7-day access" email.

Qualify for the next stage of this program. As soon as possible, but not later than March 27, 2024, complete at least **3** labs and let the program team know via [form](#). Labs completion form will be shared with you. Qualification information will be shared on March 28, 2024.

First come, first served.
The limited number of program seats available.

Associate Cloud Engineer, Professional Cloud Architect and Professional Cloud Security Engineer
